Total Players: **11**
(Borrowed players: 0)

Match Sheet review status

- Pending my confirmation
- Confirmed - this Team Sheet is in order
- Disputed** **Dispute reason**

Save **Cancel**

If there is a problem with the other team's sheet then you select the disputed option and then have to input a reason for your dispute in the pop up window. Once you have submitted your reason for the dispute you click on the save button.

When a team's sheet has been checked and confirmed by the opposition it will show with a green circle next to it with a white tick inside the circle. Both teams need to have a white tick inside their green circle next to them for the match to be able to be started.

When a team's sheet has been disputed it will show a red circle next to it.

For matches with no referee (Non-Competitive and Competitive) The Home team is to enter the score.

When you have selected a match, it will highlight in yellow. Once it has been selected you click the update Result, Match officials and other match statistics button which will take you to the next page allowing you to put in post-game details.
